

GB Bursary Qualification

These rules may be amended from time to time at the discretion of the committee. All changes will be publicised to members.

The club wishes to support those members who compete for GB. This policy lays out the basic policy information.

Bursary Amounts

The club agrees that each financial year they will pay to any club member who has qualified to represent Great Britain (GB) in either triathlon, duathlon or distance swimming the sum of £100. The club will allocate a maximum of £500 per year to the GB triathletes fund and in the event that more than 5 athletes qualify then the fund is divided equally between the eligible members.

Qualification

To qualify for the payment, the club member must take part in the event, although the committee does have discretion to waive this requirement of the policy in mitigating circumstances.

Notes

The committee has discretion to award an additional payment of £100 or pro rata payment to a club member if they qualify for multiple GB events or disciplines in the same competition year.
